

## Facilitated Strategic Planning

The VisionTune planning process is a team-based system facilitated by the consultant. The **Strategic Focus Team** is a group of 15-25 leaders seeking to prayerfully arrive at consensus decisions about the future direction of the church. This team is “book-ended” by the authority of the **Primary Board** and the hands on knowledge base of **Working Groups**. The consultant works primarily with The Strategic Focus Team but is also available to work with the Primary Board and the Working Groups as needed.

### Key Features:

- **Strategic Focus Team meets once a month for 6 months for 6-8 hours**
- **Your consultant is available another 4 hours per month for other meetings**
- **Topics (Tailored to each church situation):**
  - Strategic Vocabulary: Mission, Values, Vision, Strategies
  - Church Health and preparing for growth
  - Launching and Reporting of 4-6 Working Groups:

Examples: Disciplemaking, Evangelism, Outreach, Assimilation, Volunteerism, Facility Development and Expansion, Finances, Communications, Governance

- Coaching in how to write your strategic ministry plan
